Formatting Note

In this manual, <u>underlining</u> is used to emphasize important points.

Bold type is used to identify key terms the first time they appear in the manual. It is also used for:

- The names of documents. The titles of standardized documents, such as forms, are capitalized as well as bolded.
- Computer applications.
- Specific screens, screen sections, buttons, menus, menu options and fields in those applications.

Italics are used for the titles of acts and regulations.

Green text is used for cross-references. If you are using a PDF version of this document, you can click on this text to go directly to the page number or section indicated.
